Our University Moment.
Our University: The Cayman Islands in the British West Indies is the location of a new University of Connecticut Health Center satellite campus. The university will invest $45 million in the campus, which is scheduled to open in 2011.

The Cayman Islands campus is designed to raise $100 million in scholarships and fellowships. For more information, please visit ouruniversity.uchc.org.

Athletic Success on the Field and in the Classroom
There were nine All-America selections during the past year, including Baker Mayfield of the football team, who was the first UConn football player to be named a consensus All-American since 1987.

Our University of Connecticut Foundation financial performance was unaffected by global economic conditions, but there were many bright spots in the overall financial picture.

The Annual Report
The UConn Foundation’s annual report is available online at www.uchc.org.

The Campaign for UConn
In the year since we publicly launched The Campaign for UConn in July 2006, building on the leadership phase of the campaign in July 2006, we have made significant progress toward our $600 million goal.

In 2006, 2007, and 2008, we raised $43.7 million, $45.5 million, and $50.5 million, respectively. In fiscal year 2009, we raised $41.4 million, and in 2010, we raised $43.7 million.

The total of $348 million is the highest in UConn Foundation history, and, in fact, is the highest among any public research universities.

We are a leader in both the academic and philanthropic communities. This success is due to the leadership and dedication of our Board of Trustees, the Steering Committee; and the ongoing support of tens of thousands of donors each year; the entire UConn community has contributed to the success of the campaign.
