***A Cultural Journey Through Historic Sites,
Quaint Villages, Welcoming Wineries,
and Creative Kitchens***

Dear Alumni and Friends,

Join our small group for an intimate journey exploring Chianti's countryside—a region brimming with living history, extraordinary family traditions, and an endearing farm-to-table way of life. Meander through Tuscany's colorful cities, cypress-studded hilltop towns, classic *cucinas*, and idyllic vineyards, exploring the Italian countryside that provides overwhelming inspiration for artists, chefs, and vintners alike.

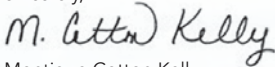

Settle in for seven nights at the luxurious hillside Castello La Leccia in Castellina, featuring deluxe accommodations and exceptional views of the lush, rolling Tuscan landscape.

Each invigorating day is enriched by historical site visits, cultural activities and interactions, memorable cuisine, and festive wine tastings. Admire the Etruscan ruins and Roman center at Volterra before visiting charming San Gimignano—the Town of Fine Towers—which is completely encircled by medieval walls. Enjoy a stroll through spectacular Siena—a UNESCO World Heritage Site—with its well-preserved cityscape, celebrated Duomo, and bustling Piazza del Campo. And learn the secrets of preparing traditional Tuscan food side-by-side with chefs from Castello La Leccia.

Space is limited. With significant savings of more than \$1,000 per couple, we anticipate this tour will fill quickly, so be certain to reserve your spot today and share this brochure with family and friends who may be interested in traveling with you.

Please reserve online at uconn.orbridge.com, by calling our travel partner, Orbridge, at (866) 639-0079 or by returning the enclosed reservation form.

Sincerely,

Montique Cotton Kelly

Assistant Professor in Residence | Director, Dietetic Internship Program | Dept. of Allied Health Sciences, University of Connecticut

Jillian is a Doctor of Clinical Nutrition (DCN) and a Registered Dietitian Nutritionist (RDN). She is passionate about food as medicine. The Mediterranean eating patterns and lifestyle are powerful preventative medicine that can maximize health and wellness, increase athletic performance, and play a key role in disease management and treatment. Jillian will be teaching UConn students nutrition in Florence and will join our group for several days to discuss the benefits of the Mediterranean eating pattern to increase health and longevity.

 Orbridge takes seriously the responsibility to minimize our global environmental impact. Each year we plant 100,000 trees in U.S. State Forests with afforestation needs as an ongoing initiative among our evolving sustainability efforts. Learn more at orbridge.com/going-green.

Activity Level: Activities are generally not very strenuous, however, this program requires individuals to have higher mobility due to many steep hills and stairs to climb in Chianti. Guests should be able to enjoy two hours or more of walking, be sure-footed on cobbled and uneven surfaces, and walk up and down stairs without assistance.

Roman Theatre, Volterra

Siena

Your Accommodations (subject to change)

Become part of *la famiglia* as you settle into this authentic Tuscan wine estate. Sip a glass of Chianti on a sun-dappled terrace, stroll the grounds, and admire vineyards draped with Sangiovese, Merlot, and Petit Verdot grapes.

Historical sources cite La Leccia castle's ownership was divided among 16 owners for strategic purposes. Near the mid 1400s, the Ricasoli family dominated a large part of the Chianti Classico region as well as the castle.

After being modified to serve more as a villa in the 18th century, the entire property was purchased in 1920 by Giuliano Daddi, great-grandfather of the current proprietors, and subsequently was the site of heavy bombardments during WWII that destroyed part of the tower, the last medieval testimony, and devastated a wing of the villa.

Recently undergoing more than four years of careful and rigorous restoration, the castle and the surrounding garden have returned to life.

With a focus on sustainability and the environment, the original spaces remain intact but feature modern enhancements using eco-compatible materials and technologies. To warm the surroundings, wooden floors, beamed ceilings, pastel colors, and furniture were designed exclusively for the common spaces and made by Florentine craftsmen.

Each room offers climate control, desk, LCD TV, complimentary Wi-Fi, phone, safe, minibar, and en suite bathroom with a shower or tub and shower, sundries, and hairdryer.
